

Why is glutathione important?

Protects cells from oxidative stress and supports the body's detoxification process.*

Where does it come from?

The body produces its own glutathione, but levels can be depleted by poor diet, pollution, stress and aging.

Setria[®] Glutathione Supplementation

Clinical studies show Setria[®] Glutathione supplementation helps increase the body's stores of glutathione.*

Recently published study on skin care benefits conducted in Thailand suggests:

1 Improved skin brightness*

Oral 250mg/day Setria[®] Glutathione may help with skin brightening in darker skin individuals.*

2 Reduction in fine lines & wrinkles*

Oral 250mg/day Setria[®] Glutathione may help with wrinkle reduction in middle-aged women (Age > 40).*

CONCLUSION: Setria[®] Glutathione supplementation is beneficial for skin brightening and wrinkle reduction.*
